School improvement plan review ([Rough Draft](#)). Viewed demographic breakdown of the school population. Viewed previous years data scores by subgroups with discussions over the numbers and concepts of how things are viewed and counted. After school support and plans discussed. Leadership team will help mentor non-proficient students to help them improve their growth. iReady used to help us find strengths and weaknesses. Levels lower in reading than in math. Talked about absences and interventions. Overview of discipline interventions. (Suggestion to add raw numbers by the percentages.) Overview of English Learner goal. Parent engagement as a part of our SIP goals? (Parent University) (Parent Ambassadors 2 at MMS to help parents, offer advice, social media engagement)(Ms. Coston talked about community involvement and how businesses/banks are getting involved with the school)(Up Twitter engagement from teachers out on their feeds of what classes are doing)

Safe Schools Plan - Viewed (pulls in academic failure and disruptive behavior), National Safe School Week in Oct. that we will participate in it and more info to come. Lockdowns progressive through the year (everyone knows it coming to no one at the school will know). Overview of safe school procedures and concerns at the school and district level. **Approved by vote**
