•**Approval of minutes** - approved.

•**Public Comments** - Linda - still unhappy with lack of school policy on cyber bullying. Linda wants to know how quickly the district is moving towards a restorative practices model similar to what we do at MMS.
How do we address it so that everyone feels like they are being heard?
York-It's not a rule you are breaking, it is harm that you are causing. Often things aren't happening on campus, but it carries over on to campus.

Brenda is concerned about students being accepted for being different and increasing awareness and acceptance in the halls and schools. In the less structured areas, it is tough to keep tabs.
