Guide to MMS Sports

Are you or your child new to school sports?

Are you looking for guidance to help you through the process?

Look no further!

- 1) Complete the required forms (3) - parent consent, concussion and health form - and have a sports physical with your physician.
 - a) Forms are online at <http://mms.chccs.k12.nc.us/athletics> at the bottom of the page.
 - b) Print the forms and complete all three.
 - c) Visit your private physician to complete and sign page 2 of the medical form.
 - d) Return all (3) forms to school in an envelope marked "Athletic Director" or turn them into your team coach on the first day of tryouts.
- 2) Ask your student to watch or listen for school-wide announcements regarding team meetings and/or tryouts; or, check the MMS website or weekly MMS emails for occasional bulletins.
- 3) Have your child attend the meetings or tryouts for sports they may be interested in.
Students may not participate in team or club sports, including tryouts, until all (3) required forms have been received by the coach or Athletic Director.
- 4) All athletes chosen for a team will then be notified by the coach.
- 5) All further communication regarding your athlete's specific team, practices, game schedule etc. will come from either the coach or the team parent(s).
